Dear New Hartford School District Community,

As we continue the search for our next Superintendent of Schools, the New Hartford Central School District Board of Education is seeking feedback from district employees, students, families and community members.

Members of the New Hartford Central School District community are being asked to share their feedback on the District's strengths and assets as well as opportunities for growth. Participation in the survey will be open until **11:59 p.m. on Wednesday, October 2, 2024.**

The survey can be accessed by visiting <https://tejoin.com/scroll/636702010> or through a link on the New Hartford District homepage.

This is the second of two public surveys that will be conducted. The feedback gathered in both surveys will be used throughout the superintendent search process to guide the Board in developing marketing materials, interview questions and in candidate selection.

As the Board moves through the search process, they will continue to provide updates and opportunities for the District community to share additional feedback in a variety of ways.

Thank you in advance for your participation in the second Superintendent Search survey. Your input is greatly appreciated!

Sincerely,

Patricia N. Kilburn, Ed.D.  
District Superintendent
